

Susee Motors (India) Private Ltd.,

30-09-2025

We at **Volkswagen Vellore – Susee Motors** had the privilege of engaging **Mr. S. Sathish Kumar** as our Management Consultant and Corporate Trainer for one year (April 2025 – March 2026), focusing on business performance improvement. As part of this engagement, he conducted an impactful **Training cum Motivational Program** for our Sales & Service Teams in June 2025.

The session was highly interactive, activity-based, and greatly appreciated by all participants for its simplicity, energy, and practical approach. It inspired better motivation, self-confidence, focus, and proactive goal achievement. His engaging methods, group activities, and motivational style brought visible improvements in team performance.

We sincerely appreciate his valuable contribution and highly recommend him to any organization aiming to build a high-performing, motivated team.

With Best Regards.,

S.MANIVANNAN

MANAGING DIRECTOR
